 Pairs Shoot: 9:30 am

Information on "Tom Horn"

The Tom Horn category requires a **rifle-caliber rifle in 40 caliber or above, 2 pistols 40 caliber or larger (38-55 acceptable)**, and a **shotgun of choice**. There will be two sub-categories, Black powder (including BP substitutes) and Smokeless powder.

Not all stages will be set up for Big-Bore. Stages 1-4 and 7-10 will be constructed for both Main match and Tom Horn. Joint use stages will have additional large big-bore targets specifically for Tom Horn. Stages 5, 6, 11, and 12 will be shot as regular main match stages using regular SASS approved 40 caliber or larger firearms.

Tom Horn rules:

1. May be shot with BP or any SASS approved substitute, or smokeless powder
2. Any match pistol 40 caliber or larger
3. Pistols may be shot in any SASS approved style
4. A main match pistol caliber rifle 40 caliber or above
5. A Tom Horn big bore rifle in 40 caliber or above
6. Any SASS legal shotgun
7. Shooter **MUST** engage big bore targets when available. Big bore targets are clearly marked in the stage descriptions
8. Shooters must use a SASS recognized rifle caliber repeater or rifle caliber single shot as described in the SASS shooters handbook under Long Range or Precision Rifle.
9. Those stages that do not have big bore targets (5, 6, 11, & 12) will be shot with pistol caliber rifle, 40 caliber or above.
10. Shooters choosing to use both a single shot and repeater, your category will be repeater.
11. The single shot rifle users will be shooting fewer rounds than the repeaters; this equalizes the timing differential.
12. If you are unable to engage big bore targets due to equipment failure, and have to revert to pistol caliber rifle, you will default to your pistol caliber category.

The sub-categories of Tom Horn are

1. Black Powder Repeater-Men
2. Black Powder Single Shot-Men
3. Smokeless Repeater-Men
4. Smokeless Single Shot-Men
5. Black Powder Repeater-Women
6. Black Powder Single Shot-Women
7. Smokeless Repeater-Women
8. Smokeless Single Shot -Women
